Why not share your achievements with us?

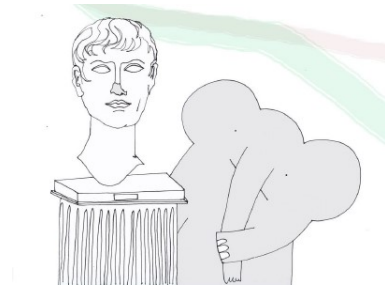

@ERMuseums

@SewerbyHall

The Creative Families Award is designed for children aged 1-4. It can be completed by families, nurseries, schools or childminders, and is very easy to achieve.

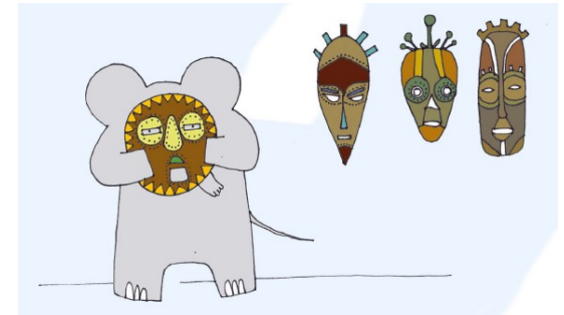

There are 4 areas to fulfil...

**Discovering arts all around** Explore any of our museum venues. Look at paintings, sculptures, furniture and architecture. Talk about your favourite things.

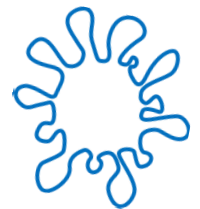

**Experiencing artists' work** Use the '5 Things to Discover' challenge to investigate artwork, architecture or objects.

**Making and Creating**

Create something inspired by what you've seen. This might be drawing, sticking, modelling, acting, or anything creative.

**I did this!**

**Sharing experiences** Talk about what you have seen and done with friends and family, or at your nursery or school.

**I did this!**
